

Treasury Manager

MyState Limited is a Tasmanian based ASX listed diversified financial service company which operates two subsidiaries, MyState Financial, an authorised deposit taking institution (ADI), and Tasmanian Perpetual Trustees, an authorised trustee and wealth management company; each long established and highly respected brands in the Tasmanian marketplace.

Following a recent restructure MyState Limited now seeks the services of a Treasury Manager who will assume the treasury functions for the Group.

The purpose of the Treasury Manager role is to maintain and further develop the treasury, securitisation, liquidity and cash flow functions of the organisation within corporate and prudential requirements. As the Manager of the team, the successful candidate will also need to possess well developed leadership skills.

An attractive salary package will be negotiated commensurate with the successful applicant's qualifications and experience. A detailed position description is available upon request by emailing recruitment@mystatelimited.com.au

For more detailed information in relation to the position, please contact William McShane, Treasurer on (03) 6211 2624.
