## **TASMANIAN PERPETUAL TRUSTEES AND TASMANIAN BANKING SERVICES OPEN A NEW BRANCH IN KINGS MEADOWS.**

Tasmanian Perpetual Trustees (TPTL) and Tasmanian Banking Services (TBS) today officially opened a new co-tenanted branch in Kings Meadows. This facility brings to a total of nine TPTL and nine TBS branches throughout the State with Kings Meadows being the sixth branch that is co-tenanted.

“The great thing about these co-tenanted branches is that they make for true ‘one-stop-shopping’ for our clients,” the Managing Director of TPTL and TBS, Mr Mark Scanlon said today. “We already have over two and a half thousand clients in the Kings Meadows region and this new facility will greatly improve the level of service, as clients will now be able to handle most of their financial and everyday banking needs in the one convenient location.

“The opening today of Kings Meadows follows the new Kingston co-tenanted branch that we opened in September last year and provides a another clear example of the level of confidence we have in the economic growth of Tasmania. We will also be operating a regional staff training centre from these new premises that will assist in ensuring that our staff will always have the knowledge and skills to provide the highest level of customer service.

“At TPTL, we really pride ourselves on being able to offer internationally competitive investment and lending products together with financial and estate planning services. Now that we are connected with a truly Tasmanian bank, there is no doubt that we are meeting the needs of our fellow Tasmanians in a way that no-one else can.

“This Kings Meadows branch is a great example of what can be achieved. With easy access, plenty of free car parking and knowledgeable and caring staff, Kings Meadows clearly demonstrates what financial services and banking in the community will be all about in the future,” Mr Scanlon said.
